Reference: Grading scale

Dear families,

As assessment and evaluation are extremely important to understand a student's performance, we hereby communicate the grading scale our teachers refer to when assessing your children's performance and learning outcomes.

Grade	Description
A	Excellent, exhaustive tests. The student masters the subject and has met all the learning objectives.
B	Complete, at times exhaustive tests. The student has met most of the learning objectives.
C	Sufficient tests with minor mistakes (passed). The student has met a sufficient number of learning objectives.
D	Partially-insufficient tests with some significant mistakes. The student has almost met a sufficient number of learning outcomes.
E	Insufficient tests with big mistakes. The students has met only a few learning outcomes.
F	The student hasn't met the minimum learning outcomes.

Yours faithfully,

The school headmaster
Barbara Rebutini
